

Meet Mrs. Kuhl

The Basics!

Hello families! My name is Cristina Kuhl and I am the 3-5 Moderate Needs Special Education teacher here at Otero. I have been an Otero Oso since 2014. My passion is helping kids learn but especially grow to be the best scholar they can be. I love what I do and I wouldn't trade it for the World. My husband and I recently had our first child, Luke who is our World. We look forward to living in this beautiful place we are happy to call home. Our favorite past time is working out and being active!

My Background and Education!

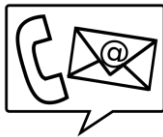

I grew up in Long Island, New York. 4 years ago my husband found out he was being stationed at Fort Carson with the Army and we made the move from New York. In 2011, I graduated with my bachelors in Health Education K-12 from Cortland, NY. After subbing for a short time I found a passion for working with students with special needs. I pursued my Masters in Special Education and Elementary Education and graduated in from Touro College in January 2013. I am in my 4th year of teaching in Harrison School District 2 and my 6th year of teaching overall.

My Favorites!
