

Dear Parents/Guardians,

Harrison School District 2 has updated our Return to In-Person Learning Plan for the second semester of the 2020-2021 School Year. This plan will be flexible and dependent on changes to our county's color dial and recommendations from El Paso County Health.

All HSD2 students will return as eLearners on Thursday, January 7, 2021. Please review the chart below for your student's individual in person return date. Due to staffing and scheduling issues that have come up during the response to the pandemic, we will no longer offer a hybrid learning model for middle and high school students. We plan to bring students back on a staggered timeline to full-day instruction during the second semester, unless the family chooses eLearning.

As we begin this shift, all students are expected to return as in-person learners based on their return date listed below, unless the family completes the form to continue the eLearning option. The choice for eLearning will be made for the 3<sup>rd</sup> and 4<sup>th</sup> quarters respectively. To request eLearning for the 3<sup>rd</sup> quarter, families must submit the eLearning registration form **by 1/7/21** and if choosing eLearning for the 4<sup>th</sup> quarter, the completed form is due by 3/12/21. Those choosing eLearning will remain as eLearners through the end of the quarter selected. In-person learners will remain in-person through the remainder of the quarter selected. **Only those choosing eLearning will need to complete the [eLearning registration form](#).**

Forms for the eLearning option are also located on the [Student Support page of the HSD2 website](#), at your child's school, or in the Student Support office. Once the form has been submitted, it will be emailed to your child's school registrar for processing.

For questions or support on the eLearner choice process, please call Student Support at 579-2550, 579-2554, or the school where your child attends.

Updated timeline for return to in-person learning is as follows:

<b>Date</b>	<b>Activity</b>
January 7, 2021	Third quarter begins <b>eLearning for ALL students</b>
January 19, 2021	In-person learning begins for <b>All K-5 students and 6-12 Center-based students (SpEd), and Grades 6, 9, and 12</b>
February 1, 2021	In-person learning begins for <b>Select Special Programs students, and Grades 8 and 10</b>
February 22, 2021	In-person learning begins for <b>Grades 7 and 11</b>
