

Dear Centennial Families,

We want to wish you and your family a happy holiday season! This school year is moving along quickly and our staff will be looking forward to seeing your child/children when we return in January. We want to take a moment to tell you that it has been our pleasure working with your children throughout the school year thus far. As a school, we have so much to be proud of. We had record attendance at parent conferences, celebrated over 100 students at academic awards ceremonies, and we have increased our average daily attendance by 0.45%. In addition, we have had the opportunity to learn in our amazing newly remodeled building and amazing learning commons! In addition, we received new hats and gloves for every child, hosted a D2/Care and Share Pantry, and increased our community partnerships. We appreciate your ongoing support of your child/children and our school. Seeing all stakeholders unite and form one team is always an enjoyable sight! Our school is a wonderful place, and we look forward to working with you in 2020 to make Centennial an even better school!

When we return in January, our attendance goal for 2020 is to have 96% attendance for the school population. We are almost there, and with your help, we will achieve this goal. Students are encouraged to do their very best all year round. We would like to remind parents that 3 ways you can support our mission of Achievement NOW is by ensuring that your child/children are on time for school each day, complete quality homework each night, and read at home with your child every night.

We are extremely grateful to have your child/children in our school. Serving this community is something we are both very passionate about because at Centennial, we believe we have the best students, parents, families, staff, and community! We look forward to seeing everyone in the New Year! Students return to school on January 8, 2020. Have a safe and happy holiday season filled with family and friends!

Achievement NOW,

Mrs. Noyes and Mr. Lane

## District Corner News January 2020

Parents, are you staying informed with the direction of the District and your child's school? Be sure to update your information with the registrar at your child's school. When your cell phone number and email are on file, you will get important text messages, phone calls and emails. Ask your registrar if you are set up to receive all messages. Snow may be around the corner and we want to keep you informed quickly!

- Download the District App! You can personalize the app to get school information that you need. Visit the Apple app store or Google playstore.
- Visit your student's school website and the **district website** for updates and all the latest on the accomplishments of HSD2.
- Please read the district's **Winter Weather Policy** and be prepared for winter in Colorado!
