

2021-2022 School Culture Survey

A few highlights from our school survey

Positives

94% of our families say that school leaders are approachable

92% of Students say they feel safe in their classrooms

93% of staff feel that they receive the appropriate feedback and recognition

Improvement Opportunities

73% of families feel that they are involved in input on how to best meet the needs of their child

56% of students feel that there is an issue with bullying

65% of staff feel that they are asked for their input on important issues

Next Steps

Encourage two-way communication using existing sources and create an awareness for teachers that parents want more involvement

Educate students on the difference between being rude, mean, and bullying. Continue working to make students aware of the avenues that they have to report bullying

Admin will take a step back and allow our leaders to lead. Allow staff more opportunities to be involved the decision-making process. BLT to run BLT meetings and present to staff.
