<p>In providing for admission of nonresident students, the school district is not required to: (1) Make alterations in the structure of the requested school or to the arrangement or function of rooms within a requested school to accommodate the enrollment request; (2) Establish and offer any particular program in a school if such program is not currently offered in such school; (3) Alter or waive any established eligibility criteria for participation in a particular program, including age requirements, course prerequisites and required levels of performance; (4) Enroll any nonresident student in any program or school after October 1; (5) Increase staff within a particular program or school. Before considering requests for admission from nonresidents, priority shall be given to resident students who apply under the district's open enrollment/transfer plan.</p> <p>Transportation: Transportation for students granted permission to enroll pursuant to this policy shall be furnished by their parents/guardians to a bus stop within the district if arrangements can be made to have the student ride on a district bus without disruption of regular routes and loading areas. Homeless and disabled students shall be transported, as necessary, in accordance with state and federal law. Buses from this district may enter the student's district of residence to pick up or deliver the student only with specific permission of the Board of Education of the district of residence.</p> <p>Nondiscrimination: The Board, the superintendent, other administrators and teachers shall not make any distinction on account of race, color, sex, religion, national background, marital status, disability or handicap of any student who may be in attendance or who seeks admission to any school maintained by the district in the determination or recommendation of action under this policy; however, the Board reserves the right to restrict enrollment requests if such requests begin to significantly affect the ethnic balance of a school.</p> <p>Special education: Requests from the parents/guardians of special education students for admission shall be considered in accordance with applicable state and federal laws. The student's current Individual Education Plan (IEP) shall be used to determine if the requested school or program can meet the student's needs. Once the student is admitted, the district shall conduct a staffing to update the IEP.</p> <p>Waiver requests: The superintendent shall present to the Board for its consideration any request from parents/guardians for exceptions to this policy.</p>
