The driver of the school bus shall be responsible for safety of the students on the bus, both during the ride and while students are entering or leaving the vehicle. Therefore, it is the bus driver's duty to notify the supervisor of transportation if any student persists in violating the established rules of conduct.

After due warning has been given to the student and to the student’s parents/guardians, the supervisor of the transportation or principal may withhold from the student the privilege of riding the school bus.
