New Science Teacher

Please welcome our new science teacher Mr. Quezada! He is coming to us from UCCS and has his degrees in Chemistry and Secondary Education. He also has a Master's Degree from UCCS in Chemistry. We are very glad and lucky to have him!

Dress code reminders:

Please remember to have your students dressed in the appropriate attire that meets our uniform policy. You can see the specific uniform requirements by accessing our website here: <https://www.hsd2.org/Page/1844>

Safety Protocols

At Panorama Middle School and Harrison School District 2, we are committed to our students' and staffs' health and safety. To ensure this, we have implemented several protocols to make sure we can return to in-person learning:

- 1. Students and staff are required to wear a face-covering when they are in the building at all times. The nose and mouth must be covered at all times. Failure to comply may result in your student returning to eLearning status.**
- 2. Social Distancing will occur in all hallways, classrooms, and common areas.**
- 3. Sanitization of desks and seats will occur after every class.**
- 4. Staff will sign in and out of all classrooms to help with contact tracing in the event a positive case is reported.**
- 5. If your student is showing any signs of illness, please do not send them to school.**
