Project: Fox Meadow Middle School
RE: Amendment 01

This is an amendment to the RFQ posted on October 2, 2019. The district will require a 1 year warranty to the contractor awarded the Fox Meadow Middle School project. It is not required that the contractor awarded this project complete a soil compaction test, but it is encouraged. The contractor will be responsible for any issues related to compaction and earth work for 1 year after completion of construction.
